

CENSUS 101: WHAT YOU NEED TO KNOW

The 2020 Census is closer than you think!

Here's a quick refresher of what it is and why it's essential that everyone is counted.

Everyone Counts

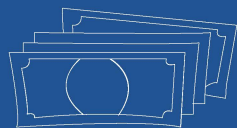

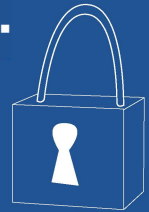

The census counts every person living in the U.S. once, only once, and in the right place.

Your privacy is protected.

It's against the law for the Census Bureau to publicly release your responses in any way that could identify you or your household.

By law, your responses cannot be used against you and can only be used to produce statistics.

The distribution of more than \$675 billion in federal funds, grants and support to states, counties and communities are based on census data.

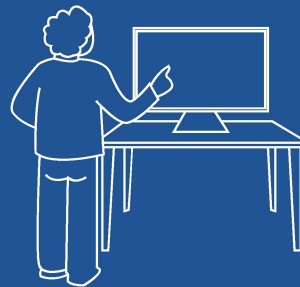

That money is spent on schools, hospitals, roads, public works and other vital programs.

It's about \$675 billion.

2020 will be easier than ever.

In 2020, you will be able to respond to the census Online.
